

The Crab Feast at Tidewater Marina

The second annual Crab Feast was held at Tidewater Marina in Havre' de Grace on September 12, 2015 with the crews of ten boats present. Windkist 4, Annalee, and Elsie's Phantasie sailed to Havre' de Grace and were docked at the Tidewater Sales Basin. Scattered thunderstorms were forecast to arrive just in time for Happy Hour. The crews of Windsprint, Contigo, Teresa Marie, Silent Running, and Aquilla arrived by land cruiser. We all greeted our new member, John Collins, captain of Joanie, and his friend Todd. Steve McDonough grilled the corn on the cob as we all anxiously awaited the arrival of Shatzi, who also arrived by land cruiser bringing the crabs just as the thunderstorms began. Despite the heavy rain we were safe and dry under the pavilion behind the service shop. The crabs and the corn were so good we forgot about the rain as we enjoyed the food and the company of good friends.

On Sunday, Annalee, Windkist 4, and Elsie's Phantasie enjoyed a spectacular sail down the bay in 15 knot winds out of the west.
