

# Honoring Bob Holmes and our Veterans

You are invited to witness and honor the Service and Sacrifice of Robert F. Holmes, USN Seaman who passed on April 16, 2016 at the age of ninety (90). Robert F. Holmes, or Bob to all of us, will have a United States Navy Honor Guard Ceremony on Saturday, July 23<sup>rd</sup> @ 1:00 pm at Cutter Marina's Main Flag Garden Area.

Not known to most of us, Bob served as a submariner in World War II aboard the USS Seahorse with distinction in the South Pacific.

In addition to honoring Bob and saying our final farewells, we also have the opportunity to say 'thank you' to our attending living Veterans. We are inviting all Veterans to attend and be recognized for their Service. Please invite any and all Veterans to Bob's Honor Guard Ceremony.

RSVP to Tom Schmidt and let us know if you can join us in the celebration of our Veterans. If you are a Veteran, or if there will be a Veteran attending with you, please include their Name and Military Branch.
