Invites you to an Educational Seminar

### 'Fire Extinguishing Demonstration and Instruction'

While most all of us have heard about a boat fire, or perhaps witnessed a boat fire, only a few have had to experience the horror of a boat fire. **What YOU do in the first seconds of a boat fire has a tremendous impact on the outcome for life and property.** Ensure you and your Crew are aware of what to do in the event of an Electrical, Fuel, Propane or Grease boat fire.

Ray Wingo, Bowie Volunteer FD and Thomas Bean, USGC Auxiliary will lead the Instruction and Demonstrations of the fire extinguisher Training.

There will be the opportunity for 'hands-on' practice of putting out fires.

**Location: Cutter Marina – Upper Boat Yard Storage Area**

**Date: Sunday, September 18<sup>th</sup>.**

**Time: 1:00 pm to 4:00 pm**
