Schatzi's initial plans are to anchor in Swan Creek Thursday evening, and sail to St Michaels on Friday morning. We plan to depart St Michaels on Monday morning. We will primarily be planning dinners and cocktails ashore. If you would like to join us, please email me at scop@northeastern.com.

Marina's and anchoring....

Anchoring in the Miles River – provides easy dinghy ride to the center of town. Holding can be difficult during high winds and thunderstorms. Check notes on Active Captain.

Miles River Yacht Club - www.milesriveryc.org Call early as they usually fill up fast! A couple of boats have reservations here already. Dinghy or bike to town. Nice pool, restaurant, bar, and dock bar. You may need to be a member of a yacht club to make reservations? Several clubs have a prearranged agreement for dock fees.

Chesapeake Bay Maritime Museum – Slips may be available for members. Slips are limited due to several auction boats being in the water. Reservations accepted two weeks ahead of time.

St. Michaels Harbour Inn, Marina & Spa - <http://harbourinn.com/>

St Michaels Marina - <http://www.stmichaelsmarina.com/> - Book early as they fill up fast. Right in the center of town and easy walk to all activities! \$3.65 - \$4.00/ft + elect.

Hope you can join us for what is sure to be a weekend of Fun!!
