

## Pirates and Wenches Weekend

Incestuous combat marked the invasion of Hunter pirates, wenches and their families at the Rock Hall *Pirates and Wenches Fantasy Weekend*. NSHSA combined forces with HSA-1 for the biggest event since the Rendezvous.

The pool offered an alternative to the jam-packed schedule of pirate events. Both were a lot of fun for all ages, and we had all ages. The multi-generational crew of almost 70 from the combined clubs had a feast in their protected pirate hideaway, aka Sailing Emporium's barn.

*Puesta del Sol's* cannons fended off would be privateers.

When the pirates ventured into town, kids under ten found treasure in the sand of the town beach. After that many kids and adults braved the water battles of the Poker Run.

The roll call of our pirate vessels was

Fun in town

Pool and pirate things aside, perhaps the best part of the weekend was people from both clubs introducing their families to and meeting people from the other club.
