

## **NSHSA – HSA1 DELMARVA CIRCUMNAVIGATION**

**May 25, 2018 THROUGH June 3, 2018**

Please join us for the Memorial Day Weekend and the trip around Delmarva. We plan to anchor at Veazey Cove at the mouth of the Bohemia River on Friday night, and depart just after sunrise on Saturday to begin our adventure. Our route takes us through the C & D Canal, down the Delaware River and Delaware Bay to Harbor of Refuge where we plan to anchor on Saturday night. The full moon is May 29, so we should have a moonlit path for our overnight sail on the ocean. Weather permitting we will enjoy a thirty to thirty six hour ocean sail on Sunday through early Monday as we head down the coast to the entrance of the Chesapeake Bay, with a choice of docking in Little Creek or Cape Charles overnight on Monday. From Little Creek or Cape Charles we will head up the bay with a choice of destinations along the way, and plans to be anchored on the Patuxent River by June 1 to watch the Blue Angels on June 2.

**Please RSVP to Elsie's Phantasie at [egrady00@gmail.com](mailto:egrady00@gmail.com) if you are planning to attend this event.**
