

Current:

Regular membership shall be extended to owners and part owners of Hunter sailing yachts and their immediate families.

Proposed Change:

Regular membership shall be extended to owners and part owners of Hunter sailing yachts and their immediate families. Regular Membership may be extended to owners of Hunter sailing yachts and owners of other sailing yachts who do not meet the requirements of Associate Membership and would like to have a close relationship to the club. These members would be limited to 49% of the active Regular membership at the time of application and require sponsorship of 2 active Regular members.

Current:

Associate membership may be extended to those persons and their immediate families who do not qualify for Regular membership, but who were previously Regular members and who express a desire to continue a close relationship with the Club.

Proposed Change:

Associate membership may be extended to those persons and their immediate families who do not qualify for Regular membership, but who were previously Regular members and who express a desire to continue a close relationship with the Club. Associate membership may also be extended to non-boat owners and powerboat owners who express a desire to have a close relationship with the Club. These members will require sponsorship of 2 active Regular members.

Current:

No member may serve more than two (2) consecutive terms as Commodore. A past Commodore may not be reelected to the office until at least two (2) years has elapsed since his last term as Commodore.

Proposed Change:

A member may serve more than two (2) consecutive terms as Commodore in the event that no other officer or member is willing to accept the nomination.
